PREFACE

The Australian Billiards & Snooker Council is committed to providing an environment that is safe in all aspects for all participants in our sport of Billiards & Snooker. This commitment extends to actively make sure that all affiliated State Associations adopt the same protective policies for the overall benefit of our sport.

The policies included in this document have been updated to include all the current relevant and required conditions, to provide a code of conduct that forms the basis of appropriate and ethical conduct that everyone involved in our sport must abide by.

This policy is therefore an essential and integral part of the Australian Billiards & Snooker Council's proactive and preventative approach to making sure that any inappropriate behaviour does not occur within our sport.

As President of the Australian Billiards & Snooker Council, it is my firm commitment that this Members Protection Policy is fully instigated and adhered to by everyone involved in our sport in Australia.

Barrie Jones
President, Australian Billiards & Snooker Council

PART A

AUSTRALIAN BILLIARDS & SNOOKER COUNCIL MEMBER PROTECTION POLICY

1. INTRODUCTION

The Australian Billiards & Snooker Council (ABSC) is the official National Member of the International Billiards & Snooker Federation, and is recognised as such as the entity that governs our sport of Billiards and Snooker in Australia.

The Australian Billiards & Snooker Council's Core Values are to ensure that our visions for the sport are carried out to the best of its ability and include values such as integrity, accountability, respect and an excellence to perform our duties to the highest of standards.

Our Mission Statement is to provide a professional, cost effective national administration body for Billiards & Snooker that strengthens and expands the sport throughout Australia.

2. Purpose of this policy

This Australian Billiards & Snooker Council Member Protection policy aims to maintain ethical and informed decision-making and responsible behaviours within our sport. It outlines our commitment to a person's right to be treated with respect and dignity and to be safe and protected from abuse. This policy informs everyone involved in our sport of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required.

The policy attachments outline the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, the Australian Billiards & Snooker Council will take disciplinary action against any person or organisation bound by this policy if they breach it.

This policy has been endorsed by the Australian Billiards & Snooker Council and has been incorporated into our By-Laws. The policy starts November 30 2009 and will operate until replaced. Copies of the current policy and its attachments can be obtained from the Australian Billiards & Snooker Council website at <http://www.absc.com.au/policies/member-protection.pdf> or from the Australian Billiards & Snooker Council's Secretary.

This policy also applies to the following associations:

- 3.12 Affiliated State Associations;

Member associations are required to adopt and implement this policy and to provide proof to the Australian Billiards & Snooker Council of the approval of the policy by the relevant board in accordance with its constitution. Member associations must also undertake to ensure that affiliated Clubs and individual Members are bound by this policy and are made aware of this policy and what it says.

This policy will continue to apply to a person, even after they have stopped their association or employment with Australian Billiards & Snooker Council, if disciplinary action against that person has commenced.

4. Responsibilities of the Organisation

The Australian Billiards & Snooker Council and its state affiliates and associations must:

- 4.1 Adopt, implement and comply with this policy;
- 4.2 Make such amendments to their Constitution, Rules or Policies necessary for this policy to be enforceable;
- 4.3 Publish, distribute and promote this policy and the consequences of breaches;

- 4.9 Use appropriately trained people to receive and manage complaints and allegations
- 4.10 Monitor and review this policy at least annually.

5. Individual Responsibilities

Individuals bound by this policy are responsible for:

- 5.1 Making themselves aware of the policy and complying with its standards of behaviour;
- 5.2 Complying with our screening requirements and any state/territory Working with Children checks;
- 5.3 Placing the safety and welfare of children above other considerations;
- 5.4 Being accountable for their behaviour;
- 5.5 Following the procedures outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour; and
- 5.6 Complying with any decisions and/or disciplinary measures imposed under this policy.

6. Position Statements

6.1 Child Protection

The Australian Billiards & Snooker Council acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. The Australian Billiards & Snooker Council aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

- Prohibiting any form of abuse against children;
- Ensuring people have completed a satisfactory Working with Children Check where the relevant state/territory law requires this [*state/territory requirements are summarised in Part C of this policy*];
- Carefully selecting and screening people over the age of 16 years who work, coach or have regular unsupervised contact with children;
- Promoting and enforcing our codes of behaviour, particularly for roles associated with juniors;
- Responding to all reports and complaints of abuse promptly, seriously and confidentially;
- Making information about child protection available, particularly for roles associated with children;
- Adopting practices that reduce risks and provide the greatest opportunity of having a child safe environment.

Anyone who reasonably suspects that a child has been or is being abused by someone within our sport, is to report it immediately to the police or relevant government agency and Member Protection Information Officers (MPIOs) and/or Complaint Manager. Descriptions of the sorts of activity which may be abuse are in the Dictionary at clause 10. If anyone suspects that a child is

being abused by his or her parent/s, they are advised to contact the relevant government department for youth, family and community services in their state/territory.

A person will not be victimised for reporting possible child abuse and the privacy of all persons concerned will be respected. Our procedures for handling allegations of child abuse are outlined in attachment D1.

6.2 Taking Images of Children

Images of children can be used inappropriately or illegally. The Australian Billiards & Snooker Council requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. We also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If the Australian Billiards & Snooker Council uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

We require our members, member associations and clubs to do likewise.

6.3 Anti-Discrimination and Harassment

The Australian Billiards & Snooker Council opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying, based on personal characteristics such as those listed in the Dictionary at [clause 10], are against the law.

If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to our complaints procedure outlined in attachment D1 of this policy. This will explain what to do about the behaviour and how the Australian Billiards & Snooker Council will deal with the problem.

6.4 Sexual Relationships (version one – possible disciplinary action can be taken)

The Australian Billiards & Snooker Council takes the position that sexual relationships between coaches and the adult athletes that they coach should be avoided as these relationships can have harmful effects on the individual athlete involved, on other athletes and coaches, and on the sport's public image. Such relationships may be intentionally or unintentionally exploitative due to a disparity between coaches and athletes in terms of authority, power, maturity, status, influence and dependence.

Should a sexual relationship exist between an athlete and coach, the Australian Billiards & Snooker Council will consider whether any action is necessary. Factors that may be relevant in this consideration are the age and maturity of the athlete relative to the coach, the financial or emotional dependence of the athlete on the coach, and the likelihood of the relationship having any adverse impact on the athlete and/or other athletes. If it is determined that the sexual relationship is inappropriate, action may be taken to stop the coaching relationship with the athlete. Action may include transfer, a request for resignation or dismissal from coaching duties.

In the event that an athlete attempts to initiate an intimate sexual relationship, the coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for

such action. The coach or athlete may wish to approach the Australian Billiards & Snooker Council's MPIO or complaints officer or other designated person if they feel harassed. Our complaints procedure is outlined in Attachment [D1] of this policy.

6.5 Pregnancy

Everyone bound by this policy must treat pregnant women with dignity and respect and any unreasonable barriers to participation by them in our sport should be removed. We will not tolerate any discrimination or harassment against pregnant women.

While many sporting activities are safe for pregnant women, there may be particular risks that apply to some women during pregnancy. Those risks will depend on the nature of the sporting activity and the particular pregnant woman's circumstances. Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport.

The Australian Billiards & Snooker Council recommends that pregnant women wanting to participate in our sport consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation. We will only require pregnant women to sign a disclaimer if we require other participants to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

6.6 Gender Identity

Everyone bound by this policy must treat people who identify as transgender fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender transition. We will not tolerate any unlawful discrimination or harassment of a person who identifies as transgender or transsexual or who is thought to be transgender. Descriptions of the types of behaviour which could be regarded as transgender discrimination or harassment are provided in the Dictionary at [clause 10].

The Australian Billiards & Snooker Council recognises that the exclusion of transgender people from participation in sporting events has significant implications for their health, well-being and involvement in community life. In general the Australian Billiards & Snooker Council will facilitate transgender persons participating in our sport with the gender with which they identify.

The Australian Billiards & Snooker Council also recognises there is debate over whether a male to female transgender person obtains any physical advantage over other female participants. This debate is reflected in the divergent discrimination laws across the country. If issues of performance advantage arise, the Australian Billiards & Snooker Council will seek advice on the application of those laws in the particular circumstances.

The Australian Billiards & Snooker Council is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends competing at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position taken by the Australian Billiards & Snooker Council.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

7. Complaints Procedures

7.1 Complaints

The Australian Billiards & Snooker Council aims to provide a simple procedure for complaints based on the principles of procedural fairness (natural justice). Any person (a complainant) may report a complaint about a person/s or organisation bound by this policy (respondent). Such complaints should be reported to Complaint's Officer, the ABSC's President.

The lowest level at which a matter can be dealt with shall always be preferred. Therefore, if a complaint relates to behaviour or an incident that occurred at the:

- state level or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance; or
- club level or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Only matters that relate to or occur at the national level and the most serious cases from club and state level should be referred to the national body.

A complaint may be dealt with informally or formally. The complainant usually decides this unless the Complaint's Officer, the ABSC's President, considers that the complaint falls outside this policy and would be better dealt with another way and/or the law requires the complaint/allegation to be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in attachment D1.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

7.2 Vexatious Complaints & Victimisation

The Australian Billiards & Snooker Council aims for our complaints procedure to have integrity and be free of unfair repercussions or victimisation. If at any point in the complaints process the Complaint's Officer, the ABSC's President, considers that a complainant has **knowingly** made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the Australian Billiards & Snooker Disciplinary Committee for appropriate action which may include disciplinary action against the complainant.

The Australian Billiards & Snooker Council will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures can be imposed on anyone who harasses or victimises another person for making a complaint.

7.3 Mediation

The Australian Billiards & Snooker Council aims to resolve complaints with a minimum of fuss. Complaints may be resolved by agreement between the people involved with no need for disciplinary action. Mediation allows those involved to be heard and to come up with mutually agreed solutions.

Mediation may occur before or after the investigation of a complaint. If a complainant wishes to resolve the complaint with the help of a mediator, the Complaint's Officer, the ABSC's President, will, in consultation with the complainant, arrange for a neutral third party mediator where possible. Lawyers are not able to negotiate on behalf of the complainant and/or the respondent. More information on the mediation process is outlined in attachment D2.

7.4 Tribunals

A Tribunal may be convened to hear a formal complaint:

- referred to it by Complaint's Officer, the ABSC's President
- referred to it or escalated by a state association][because of the serious nature of the complaint, or unable to be resolved at the state level, or the state policy directs it to be]; and/or
- for an alleged breach of this policy.

Our Tribunal procedure is outlined in attachment D5.

A respondent may lodge an appeal only to the Appeal Tribunal in respect of a Tribunal decision. The decision of the Appeal Tribunal is final and binding on the people involved. Our appeals process is outlined in attachment D5.

Every organisation bound by this policy will recognise and enforce any decision of a Tribunal or Appeal Tribunal under this policy.

8. What is a Breach of this policy?

- Be applied consistent with any contractual and employment rules and requirements;
- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach; and
- Be determined in accordance with our Constitution, By Laws, this policy and/or Rules of the sport.

9.2 Organisation

If a finding is made that the Australian Billiards & Snooker Council or one of its affiliated state associations has breached its own or this national Member Protection Policy, one or more of the following forms of discipline may be imposed by the Australian Billiards & Snooker Council's Disciplinary Committee and the Australian Billiards & Snooker Council's Constitution.

- 9.2.7 Any other form of discipline that the national body or peak organisation considers to be reasonable and appropriate.

9.3 Factors to consider

The form of discipline to be imposed on an individual or organisation will depend on factors such as:

- Nature and seriousness of the breach;
- If the person knew or should have known that the behaviour was a breach;
- Level of contrition;
- The effect of the proposed disciplinary measures on the person including any personal, professional or financial consequences;
- If there have been relevant prior warnings or disciplinary action;
- Ability to enforce discipline if the person is a parent or spectator (even if they are bound by the policy); and/or
- Any other mitigating circumstances.

10. Dictionary

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. State/Territory specific definitions and more detail on some of the words in this dictionary can be sourced from the relevant State/Territory child protection commissions or equal opportunity and anti-discrimination commissions.

Abuse is a form of harassment and includes physical abuse, emotional abuse, sexual abuse, neglect, and abuse of power. Examples of abusive behaviour include bullying, humiliation, verbal abuse and insults.

Affiliated State means the individual State Billiards & Snooker Associations that are affiliated to the Australian Billiards and Snooker Council.

Child means a person who is under the age of 18 years

Child abuse involves conduct which puts children at risk of harm (usually by adults, sometimes by other children) and often by those they know and trust. It can take many forms, including verbal and physical actions and by people failing to provide them with basic care. Child abuse may include:

- Physical abuse by hurting a child or a child's development (e.g. hitting, shaking or other physical harm; giving a child alcohol or drugs; or training that exceeds the child's development or maturity).
- Sexual abuse by adults or other children where a child is encouraged or forced to watch or engage in sexual activity or where a child is subject to any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography including child pornography or inappropriate touching or conversations).

- Emotional abuse by ill-treating a child (e.g. humiliation, taunting, sarcasm, yelling, negative criticism, name calling, ignoring or placing unrealistic expectations on a child).
- Neglect (e.g. failing to give food, water, shelter or clothing or to protect a child from danger or foreseeable risk of harm or injury).

Complaint means a complaint made under clause 7.1.

Complainant means a person making a complaint.

Complaint Handler/Manager means a person appointed under this policy to investigate a Complaint

Discrimination means treating or proposing to treat someone less favourably because of a particular characteristic in the same or similar circumstances in certain areas of public life (Direct Discrimination), or imposing or intending to impose an unreasonable requirement, condition or practice that is the same for everyone, but which has an unequal or disproportionate effect on individuals or groups with particular characteristics (Indirect Discrimination). The characteristics covered by discrimination law across Australia are:

- Age;
- Disability;
- Family/carer responsibilities;
- Gender identity/transgender status;
- Homosexuality and sexual orientation;
- Irrelevant medical record;
- Irrelevant criminal record;
- Political belief/activity;
- Pregnancy and breastfeeding;
- Race;
- Religious belief/activity;
- Sex or gender;
- Social origin;
- Trade union membership/activity.

(Some States and Territories include additional characteristics such as physical features or association with a person with one or more of the characteristics listed above).

Examples of Discrimination

- **Age:** A club refuses to allow an older person to coach a team simply because of age.
- **Breastfeeding:** A member of the club who is breastfeeding a baby in the club rooms is asked to leave.
- **Disability:** A junior player is overlooked because of mild epilepsy.
- **Family responsibilities:** A club decides not to promote an employee because he has a child with a disability even though the employee is the best person for the job.
- **Gender Identity:** A transgender contract worker is harassed when employees refuse to call her by her female name.
- **Homosexuality:** An athlete is ostracised from her team after it becomes known that she is a lesbian.
- **Marital Status:** A player is deliberately excluded from team activities and social functions because she is single
- **Pregnancy:** A woman is dropped from a squad when she becomes pregnant.
- **Race:** An Italian referee is not permitted to referee games with a high proportion of Italian players on one team because of his race.
- **Sex:** Specialist coaching is only offered to male players in a mixed team.

Harassment is any type of behaviour that the other person does not want and that is offensive, abusive, belittling or threatening. The behaviour is unwelcome and a reasonable person would recognise it as being unwelcome and likely to cause the recipient to feel offended, humiliated or intimidated.

Unlawful harassment is sexual or targets a person because of their race, sex, pregnancy, marital status, sexual orientation or some other characteristic (see characteristic list under discrimination).

It does not matter whether the harassment was intended: the focus is on the impact of the behaviour. The basic rule is if someone else finds it harassing then it could be harassment. Harassment may be a single incident but is usually repeated. It may be explicit or implicit, verbal or non-verbal.

Discrimination and harassment are not permitted in employment (including volunteer and unpaid employment); when providing sporting goods and services including access to sporting facilities; when providing education and accommodation; the selection or otherwise of any person for competition or a team (domestic or international); the entry or otherwise of any player or other person to any competition and the obtaining or retaining membership of clubs and organisations (including the rights and privileges of membership).

Some exceptions to state and federal anti-discrimination law apply. Examples include:

- holding a competitive sporting activity for females only who are under 12 years of age or of any age where strength, stamina or physique is relevant or
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

It is also a breach of discrimination law to victimise a person who is involved in making a complaint of discrimination or harassment. Example: a player is ostracised by her male coach for complaining about his sexist behaviour or for supporting another player who has made such a complaint.

Public acts of racial hatred which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability – see vilification.

Mediator means an impartial/neutral person appointed to mediate Complaints.

Member means any player, official, administrator that is a member of the Australian Billiards & Snooker Council or of one of its affiliates.

Member Protection Information Officer (MPIO) means a person trained to be the first point of contact for a person reporting a complaint under, or a breach of, this Policy.

Natural justice (also referred to as procedural fairness) incorporates the following principles:

- both the Complainant and the Respondent must know the full details of what is being said against them and have the opportunity to respond;
- all relevant submissions must be considered;
- no person may judge their own case;
- the decision maker/s must be unbiased, fair and just;
- the penalties imposed must be fair.

Police check means a national criminal history record check conducted as a pre-employment, pre-engagement or current employment background check on a person.

This policy means this Member Protection Policy.

Respondent means the person who is being complained about.

Role-specific codes of conduct (or behaviour) means standards of conduct required of certain roles (e.g. coaches).

Sexual harassment means unwanted, unwelcome or uninvited behaviour of a sexual nature which makes a person feel humiliated, intimidated or offended. Sexual harassment can take many different forms and may include unwanted physical contact, verbal comments, jokes, propositions, display of pornographic or offensive material or other behaviour that creates a sexually hostile environment.

Sexual harassment is not behaviour based on mutual attraction, friendship and respect. If the interaction is between consenting adults, it is not sexual harassment.

Sexual offence means a criminal offence involving sexual activity or acts of indecency including but not limited to (due to differences under state/territory legislation):

- Rape
- Indecent assault
- Sexual assault
- Assault with intent to have sexual intercourse
- Incest
- Sexual penetration of child under the age of 16
- Indecent act with child under the age of 16
- Sexual relationship with child under the age of 16
- Sexual offences against people with impaired mental functioning
- Abduction and detention
- Procuring sexual penetration by threats or fraud
- Procuring sexual penetration of child under the age of 16
- Bestiality
- Soliciting acts of sexual penetration or indecent acts
- Promoting or engaging in acts of child prostitution
- Obtaining benefits from child prostitution
- Possession of child pornography
- Publishing child pornography and indecent articles.

Transgender is a general term applied to individuals and behaviours that differ from the gender role commonly, but not always, assigned at birth. It does not imply any specific form of sexual orientation.

Victimisation means subjecting a person or threatening to subject a person to any detriment or unfair treatment because that person has or intends to pursue their rights to make a complaint under government legislation (e.g. anti-discrimination) or under this Policy, or for supporting such a person.

Vilification involves a person or organisation doing public acts to incite hatred towards, serious contempt for, or severe ridicule of a person or group of persons having any of the attributes or characteristics within the meaning of discrimination. Public acts that may amount to vilification include any form of communication to the public and any conduct observable by the public.

B.1 Coach's Code of Behaviour

In addition to the Australian Billiards & Snooker Council, General Code of Behaviour, you must meet the following requirements in regard to your conduct during any activity held or sanctioned by the ABSC, a member association or an affiliated club and in your role as a coach appointed by the ABSC, a member association or an affiliated club:

9. Be acutely aware of the power that you as a coach develop with your players in the coaching relationship and avoid any sexual intimacy with players that could develop as a result.
10. Actively discourage the use of performance enhancing drugs, and immediately report to the ABSC any evidence of this occurring. Actively discourage the use of alcohol, tobacco and illegal substances.
11. Do not exploit any coaching relationship to further personal, political or business interests at the expense of the best interest of your players.
12. Accept and respect the role of officials in ensuring that competitions are conducted fairly and according to established rules.
13. Know and abide by rules, regulations and standards, and encourage players to do likewise. Accept both the letter and the spirit of the rules.
14. Be honest and ensure that qualifications are not misrepresented.

B.2 Official's Code of Behaviour

In addition to the Australian Billiards & Snooker Council, General Code of Behaviour, you must meet the following requirements in regard to your conduct during any activity held or sanctioned by the ABSC, a member association or an affiliated club and in your role as an official appointed by the ABSC, a member association or an affiliated club:

B.4 Parent/Guardian's Code of Behaviour

As a parent/guardian of a player/participant in any activity held by or under the auspices the Australian Billiards & Snooker Council, a member association or an affiliated club, you must meet the following requirements in regard to your conduct during any such activity or event:

- 1 Respect the rights, dignity and worth of others.

B.5 Players Code of Behaviour

Under the terms and conditions of this Code of Ethics it shall be the responsibility of all who compete in events conducted under the auspices of the Australian Billiards and Snooker Council and its Affiliates to comply with this Code of Ethics and at all times act in the spirit of good sportsmanship and do nothing to bring discredit to the games of Billiards and Snooker.

This requirement applies to all levels of play in Local, Club, District, State, National and International events. Failure to comply with the requirements could be considered a breach of this Code of Ethics and may result in a fine, suspension, or a combination of both.

1. Respect the rights, dignity and worth of fellow players, coaches, officials and spectators.
2. Do not tolerate or initiate acts of aggression.
3. Respect the talent, potential and development of fellow players and competitors.
4. Care for and respect the equipment provided to you as part of your program.
5. At all times avoid intimate relationships with your coach.
6. Conduct yourself in a professional manner relating to language, temper and punctuality.
7. Maintain high personal behaviour standards at all times.
8. Abide by the rules and respect the decision of the official, making all appeals through the formal process and respecting the final decision.
9. Be respectful and courteous to the sponsors and hosts of the event
10. Never engage in match-fixing
11. Avoid any situation which may lead to a conflict of interest, such as placing a bet on a match, accepting a gift from a player or in any way tampering with a fair contest.

BEFORE THE MATCH

Competitors shall:

- a) Present themselves to the Tournament Director or the referee if there is no Tournament Director, as soon as they enter the venue.
- b) Arrive in suitable time to ensure that they are ready at the table to commence play at the appointed time for the start of the match.
- c) Select a chair at the baulk end of the table, unless otherwise specifically provided.
- d) Ensure that their requirements for liquid refreshments are met before the commencement of the match so as not to distract their opponent.
- e) Not use, before or during a match, any drug or artificial stimulant, unless it be approved by the Australian Sports Commission and prescribed by a registered Medical Practitioner.
- f) Meet acceptable dress standards, which include conditions laid down by the Tournament Organisers and unless otherwise specified precludes jeans, shorts, T-shirts, thongs, jogging shoes and runners.
- g) Where bow ties are a requirement, wear them for the duration of the match and if the top shirt button is undone, it must not be patently evident to the referee or Tournament Director.

h) Unless otherwise specified, suits and shirts should be of a single colour and footwear should be matching and appropriate – i.e. white shoes would be most inappropriate with a dark suit.

i) Wear long sleeved shirts always buttoned at the wrist. Rolled up sleeves are not permitted. However, where climatic or venue conditions are such that the competitor may be disadvantaged by long sleeves, a short sleeved shirt may be worn with a bow tie and no vest.

DURING THE MATCH

Competitors shall:

a) Not consume alcohol during the conduct of a match unless it is an official break between sessions of play. Competitors who commence a match showing evidence of an over indulgence of alcohol shall not be permitted to play and shall be in breach of this Code of Ethics.

b) Not be permitted to smoke tobacco.

c) Shake hands at the commencement and conclusion of the match, where the referee and marker should be thanked by both competitors.

d) Refrain from placing the chalk on the cushion rail or the table during the visit.

e) Not visit the toilet at the end of each frame unless in receipt of a medical certificate testifying incontinence (some players use this as a form of gamesmanship). Under normal circumstances a toilet break should occur at an official session break or not more frequently than after every third frame. Extraordinary circumstances may require more frequent visits.

The Striker shall:

a) At the conclusion of his visit immediately vacate the table area and not procrastinate over a missed shot. It is not necessary for him to wait until all the balls have come to rest.

b) Not to take an unwarranted amount of time over shot selection, for by doing so faces the possibility of being warned by the referee for time wasting. This tactic is used by some players to upset their opponents. Nevertheless, it is not possible for all players to play at the same pace due to physical disabilities etc.

c) Not dispute a referee's decision regardless of whether they know it to be incorrect. They may, however, ask a referee for an explanation and upon his response suggest to him that he may seek a further opinion from a more experienced referee or official, or, in the case of an alleged incident, suggest he consult responsible spectators who were best placed to observe the incident. The referee, however, does not have to seek a further opinion, nor does he have to act upon a further opinion and his next decision remains final. This Section also applies to a decision made by the referee under Snooker Section 3 Rule 14, the Foul/Miss Rule. Under this Section it is important to remember that the referee has to make a decision whether the striker has endeavoured to hit the "ball on" to the best of his ability. It may well be that the striker has endeavoured to hit the "ball on", but he is not entitled to remonstrate with the referee over the decision. In both the aforementioned cases the only option open to the player is to report the matter to the organisers at the conclusion of the match, which will have no effect on the result.

d) Not refuse to continue playing after being instructed to do so by the referee.

e) Not berate or continue to berate a referee either by actions, words or aside comments to other persons during the course of the match or at its conclusion.

f) After using the rest or any other equipment remove it from the table.

The Non-Striker shall:

a) Either sit or stand near the allocated seat without causing distraction either by movement or sound. They should not stand in the line of vision or in close proximity to the table. Some competitors use this tactic to impose their physical presence on the striker. They should take particular care to refrain from chalking their cue or drinking or pouring from a glass when the striker is about to play a stroke or is in their arc of vision.

b) Not converse with or make comment to the referee, marker or striker unless he is claiming an undetected foul.

c) Not engage in unreasonable conversation or comment with members of the audience.

AFTER THE MATCH

At the conclusion of the match it is common courtesy for the loser to congratulate the winner, shake his/her hand and, in this country, it is customary for the winner to invite the loser to a glass of liquid refreshment. Disappointment in defeat or a dislike of the other competitor should not be a reason to avoid this custom which is, in itself, an exercise in good sportsmanship. It is also customary to thank the Referee and Marker.

B6. State, National and International Representative's Code of Behaviour

Representatives shall:

- a) Attend all briefing meetings conducted by the organisers.
- b) Attend all official functions.
- c) Wear the appropriate clothing, accessories, ties etc with the blazer/uniform. Open necked shirts should not be worn with blazers unless official permission has been granted by the Australian Billiards and Snooker Council or the relevant Affiliate.
- d) Not leave the provided accommodation without the permission of the Tournament Director.
- e) Refund any paid daily allowance if permission to leave early is granted.
- f) Not compete in any match or exhibition without the express approval of the host organisers.
- g) If, prior to departure, they are requested by the host organisers to be involved in either promotion of the event by interviews with the media or play in an exhibition match, they are required to comply with the request.
- h) If required to verbally respond at a presentation ceremony or move a vote of appreciation, they shall refrain from any criticism whatsoever of either players, officials, any facet of the event, conditions in the host country or conditions in Australia. They shall also refrain from the use of indecent or offensive language or offer remarks that may be construed as being of a boastful nature. The total contents of this Section shall also apply in all social discussions with other competitors, officials etc.
- i) Not engage in the excessive use of alcohol, partake of any prescribed drugs, indulge in indecent or offensive language or behave in a riotous, noisy or unruly manner.
- j) In International events, competitors must be aware of their responsibilities. In addition to being players they are also ambassadors for the game and Australia and are expected to do nothing to bring discredit on this nation. They are expected to mix freely with competitors and officials from all competing Nations, spreading goodwill and providing a good impression of Australian sportsmanship.

PART C: SCREENING / WORKING WITH CHILDREN CHECK REQUIREMENTS

Background

Child protection is about keeping children safe from harm/abuse. Child abuse is illegal, and all states and territories have their own systems and laws that cover screening and/or the reporting and investigation of cases of child abuse.

Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with children as paid employees or volunteers. In New South Wales, Queensland, Western Australia, Victoria and South Australia laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with children. This is done by checking certain criminal history and other matters. In some states this also involves reviewing relevant findings from disciplinary proceedings. There are also requirements placed on organisations.

The Northern Territory government has passed new law and screening will be compulsory from January 2010. The Australian Capital Territory and Tasmania are currently reviewing their screening laws. New requirements and amendments will be added to this policy as they are introduced.

Please be aware that state and territory WWCC requirements may also apply to individuals who visit states with screening laws. For example, if a state association or club takes players U18 into New South Wales for training camps, competition or other activities, those travelling with the teams must comply with NSW law.

The state WWCC requirements apply regardless of our national, state or club Member Protection Policy.

The following attachments provide:

- summary information on state and territory WWCC requirements and where to obtain more information and relevant forms
- our Member Protection Declaration (for all states/territories except NSW who must complete a Prohibited Employment Declaration provided by the NSW Commission for Children and Young People)
- our screening requirements for people residing in ACT and Tasmania

Attachment C1: SCREENING REQUIREMENTS
(for states/territories without Working With Children Checks such as ACT and Tasmania)

This attachment sets out the screening process for people in the Australian Billiards & Snooker Council who work, coach, supervise or have regular unsupervised contact with people under the age of 18 years.

The Australian Billiards & Snooker Council will, and also requires state associations and clubs to:

1. Identify positions that involve working, coaching, supervising or regular unsupervised contact with people under the age of 18 years.
2. Obtain a completed *Member Protection Declaration* (MPD) (Attachment C2) from all people who are identified in the above step and keep it in a secure place.
3. Provide an opportunity for a person to give an explanation if a MPD isn't provided or it reveals that the person doesn't satisfactorily meet any of the clauses in the MPD. We will then make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years. If unsatisfied, we will not appoint them to the role/position.
4. Where possible, check a person's referees (verbal or written) about his/her suitability for the role.
5. Ask the people identified in step 1 to sign a consent form for a national police check.
6. Possibly request (or ask the person to request) a national 'Part Exclusion' police check from our relevant police jurisdiction. This check excludes irrelevant records. If the police check indicates a relevant offence, we will provide an opportunity for the person to give an explanation, and then we will make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years. If unsatisfied we will not appoint them to the role/position.
7. Make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years if the person does not agree to a national police check after explaining why it is a requirement under our policy. If unsatisfied, we will not appoint them.
8. Decide whether to offer the person the position taking into account the result of the police check and any other information the club has available to it. Where it is not practical to complete the police check prior to the person commencing in the position, we will complete the check as soon as possible, and if necessary, act immediately on the outcome.
9. Protect the privacy of any person who is checked and maintain confidentiality of any information obtained through the checking process.
10. Return information collected during screening (such as a completed MPD form, police records and referee reports) to the relevant person if that person is not appointed to the position, or otherwise be destroyed within 28 days of the date of the decision or the expiry of any appeal period, unless within that time the person requests that the documents be returned to them. For appointed persons, information will be kept on file in a secure location.

Attachment C3: WORKING WITH CHILDREN CHILD PROTECTION REQUIREMENTS

The following information was updated in April 2009. It is subject to change at any time.

1. QUEENSLAND

A person will need a Working with Children Check, also known as the **blue card**, if they propose to work in a paid or voluntary capacity or to carry on a business in a child-related area regulated by the *Commission for Children and Young People and Child Guardian Act 2000*. Once a person is checked and approved they are issued with a "blue card." Volunteers and paid employees employed in sporting organisations generally fall under the 'churches, clubs and associations' category of regulated employment. Volunteers and paid employees employed in private businesses may fall under the 'sport and active recreation' category of regulated employment. The check is a detailed national criminal history check including charges and investigations relating to children.

People such as those with previous convictions involving children are disqualified from applying for or renewing a blue card (refer to website below for details).

A blue card remains current for two years. Existing card holders will be notified by the Queensland Commission for Children and Young People and Child Guardian before their card expires.

In addition to obligations regarding the blue card, **employers** must develop and implement a written child protection risk management strategy and review it each year.

For more information on the blue card, including current forms:

- 1800 113 611

2. NEW SOUTH WALES

All organisations within NSW that employ people in child-related employment (in a paid or unpaid capacity) must meet the requirements of the Working with Children Check (WWCC). Child related employment is work which primarily involves direct unsupervised contact with children. The WWCC involves three components:

1. **Ensuring** all paid and unpaid employees sign a [Prohibited Employment Declaration](#) which states they are not prohibited from working with children.
2. **Submitting** all applicants for **paid** employment to NSW Sport and Recreation for a WWCC background check. NSW Sport and Recreation only carries out checks for paid employees.
3. **Reporting** relevant employment proceedings for any paid and unpaid employees to the Commission for Children and Young People. A relevant employment proceeding involves any reportable conduct committed outside of work as well as in the workplace with or in the presence of a child/ren.

Sporting organisations are responsible for managing the WWCC process. Individuals cannot apply for a WWCC directly. Sporting organisations should register with [NSW Sport and Recreation](#), providing a contact who will receive the information on the background checks.

A WWCC is valid for employment in that position within the organisation. Short-term employees (where that person is being employed for periods of less than six months and returning for short periods throughout a 12 month period) only need to be checked **once** every 12 months.

For more information, including the required forms:

- www.dsr.nsw.gov.au/children/resources.asp or 02 9006 3700

3. WESTERN AUSTRALIA

The Working with Children Check (WWC Check) is a compulsory and rigorous criminal record check for certain people who carry out 'child-related work' in WA. A person is in 'child-related work' if the usual duties of their work involves, or is likely to involve contact with a child in connection with specified categories of work (see the website below for further details) It includes child-related work carried out by paid employees, volunteers, unpaid people and the self-employed. Parents volunteering in connection with their child's activity are exempt (although this does not apply to overnight camps); however they should still be required to complete the non-WWC Check screening process. There are other exemptions, for example volunteers under 18 years old. Further details about exemptions can be found on the website below. Only those in child-related work under the Act may apply.

Applicants will be issued with either:

- An Assessment Notice in the form of a WWC Card enabling them to be in all types of child-related work for three years unless there are new offences of concern.
- An Interim Negative Notice, which prohibits them from child-related work until a final decision is made on their application.
- A Negative Notice, which prohibits them from child-related work.

There are set obligations and strong penalties for non-compliance including for employers and volunteer co-coordinators.

For more information:

- www.checkwwc.wa.gov.au or call 1800 883 979 (toll free)

4. VICTORIA

The Working with Children (WWC) Check creates a mandatory minimum checking standard across Victoria. The *Working with Children Act 2005* requires that some people who work or volunteer in child-related work require a WWC Check. The check involves a national police records check and a review of relevant findings from prescribed professional disciplinary bodies (currently only the Victorian Institute of Teaching). There is an exemption for volunteers whose own children are involved in the particular activity; however they should still be required to complete the screening process.

A person who has no criminal or professional disciplinary history will be granted an *assessment notice*. This notice will entitle the person to undertake child-related work in Victoria and is valid for five years (unless revoked). A person deemed unsuitable to work or volunteer with children will be given a *negative notice* and cannot work in child-related work in Victoria.

For more information:

- www.justice.vic.gov.au/workingwithchildren or 1300 652 879

5. SOUTH AUSTRALIA

There are provisions under the *Children's Protection (Miscellaneous) Amendment Act 2005* that apply to non-government and volunteer organisations that are entrusted with the care of children or who regularly come into contact with children. These provisions require organisations to have strategies in place to prevent and minimise opportunities for abuse and to appropriately respond when abuse occurs or is suspected, and to implement guidelines and processes that clearly outline effective and timely responses to child protection issues and steps of action.

Be aware that criminal history reports are likely to be introduced and mandatory for some positions in sporting organisations from 2010/2011.

Staff and volunteers who work with children are mandated notifiers and have a legal obligation to report any suspected child abuse and/or neglect.

For more information:

- www.families.sa.gov.au/childsafe or 08 8226 7000

6. NORTHERN TERRITORY

From January 2010, all persons employed in child related work, either paid or as a volunteer, must hold a valid clearance notice issued by the SAFE NT Screening Authority. There are penalties for failure to comply. Sports coaches, trainers, team administrators, officials and volunteers of Sporting Organisations that deal with children are caught.

Clearance notices are valid for two years from date of issue unless revoked, and are transferable within employment fields. As a part of the assessment process, SAFE NT will consider the applicant's criminal history record and other relevant information.

For more information contact 1800 SAFE NT (1800 723 368)

PART D: COMPLAINT HANDLING PROCEDURES

Attachment C1: COMPLAINTS PROCEDURE

All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection or other relevant legislation.

If you wish to remain anonymous, the Australian Billiards & Snooker Council may have difficulty assisting you to resolve your complaint. Procedural fairness (natural justice) means that the Australian Billiards & Snooker Council is required to provide the person/people you have complained about with full details of the complaint so they have a fair chance to respond.

INFORMAL APPROACHES

Step 1: Talk with the other person (where this is reasonable and appropriate)

In the first instance, you (the Complainant) should try to sort out the problem with the person or people involved (respondent) if you feel able to do so.

Step 2: Contact a Member Protection Information Officer (appointed by the President or the Secretary on a case-by-case basis)

Talk with one of our Member Protection Information Officers (MPIOs) (appointed by the President or the Secretary on a case-by-case basis) *if*:

- the first step is not possible/reasonable;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially about the problem with someone and obtain more information about what you can do; or
- the problem continues after you tried to approach the person or people involved.

The Member Protection Information Officer (MPIO) will:

- take confidential notes about your complaint;
- try to find out the facts of the problem;
- ask what outcome/how you want the problem resolved and if you need support;
- provide possible options for you to resolve the problem;
- act as a support person if you so wish;
- refer you to an appropriate person (e.g. Mediator) to help you resolve the problem, if necessary;
- inform the relevant government authorities and/or police if required by law to do so;
- maintain confidentiality.

Step 3: Outcomes from initial contact

After talking with the Member Protection Information Officers, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and work out your own resolution (with or without a support person such as a MPIO); or
- to seek a mediated resolution with the help of a third person (such as a mediator); or
- to seek a formal approach.

FORMAL APPROACHES

Step 4: Making a Formal complaint

If your complaint is not resolved or informal approaches are not appropriate or possible, you may:

- make a formal complaint in writing to the ABSC President or Secretary, or

- approach a relevant external agency such as an anti-discrimination commission, for advice.

On receiving a formal complaint and based on the material you have provided, the ABSC President or Secretary will decide whether:

- they are the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint warrants a formal resolution procedure;
- to appoint a person to **investigate** (gather more information on) the complaint;
- to refer the complaint to mediation;
- to refer the complaint to a hearings tribunal;
- to refer the matter to the police or other appropriate authority; and/or
- to implement any interim arrangements that will apply until the complaint process set out in these Procedures is completed.

In making the decision(s) outlined above, the President or Secretary will take into account:

- whether they have had any personal involvement in the circumstances which means that someone else should handle the complaint;
- your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- the relationship between you and the respondent (for example an actual or perceived power imbalance between you and the respondent);
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the possibility that you will be subject to further unacceptable behaviour while the complaint process is underway.

If the ABSC President (or Secretary) is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:

- put the information they've received from you to the person/people you're complaining about and ask them to provide their side of the story;
- decide if they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- determine what, if any, further action to take. This action may include disciplinary action in accordance with this policy.

Step 5: Investigation of the complaint

- A person appointed under Step 3 will conduct an investigation and provide a written report to the ABSC President (or Secretary), who will determine what further action to take;
- If the complaint is referred to mediation, it will be conducted in accordance with Attachment C2 or as otherwise agreed by you and the respondent and the mediation provider;
- If the complaint is referred to a hearings tribunal, the hearing will be conducted in accordance with Attachment C5;
- If the complaint is referred to the police or other appropriate authority, the Australian Billiards & Snooker Council will use its best endeavours to provide all reasonable assistance required by the police or other authority.

Any costs relating to the complaint process set out in this Policy (e.g. investigation and/or mediation and/or hearings tribunal) are to be met by the Australian Billiards & Snooker Council unless otherwise stated in the relevant Attachment.

Step 6: Reconsideration of initial outcome/investigation or appeal

If, under the formal complaint process, mediation is unsuccessful, you may request that the ABSC President (or Secretary) reconsider the complaint in accordance with **Step 3**.

You or the respondent(s) may be entitled to appeal. The grounds and process for appeals under this Policy are set out in Attachment C5.

Step 7: Documenting the resolution

The ABSC President (or Secretary), will document the complaint, the process and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

EXTERNAL APPROACHES

There are a range of other options available depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your State or Territory anti-discrimination commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be harassment within its jurisdiction, you may lodge a formal complaint with the commission.

Once a complaint is received by an anti-discrimination commission, it will investigate. If it appears that unlawful harassment or discrimination has occurred, the commission will conciliate the complaint confidentially. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made. The tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

If you do lodge a complaint under anti-discrimination law, you may use the ABSC President (or Secretary) as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

You could also approach another external agency such as the police.

Attachment D2: MEDIATION

Mediation is a process during which people in conflict are helped to communicate with each other to identify the areas of dispute and to make decisions about resolving it. This attachment outlines the general procedure of mediation that will be followed by the Australian Billiards & Snooker Council.

1. If mediation is chosen, the ABSC President (or Secretary) will, under the direction of the Australian Billiards & Snooker Council and in consultation with the complainant and the respondent(s), arrange for a mediator.
2. The mediator's role is to assist the complainant and respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the complainant and respondent(s), will choose the procedures to be followed during the mediation. At a minimum, an agenda of issues for discussion will be prepared by the mediator.
3. The mediation will be conducted confidentially and without prejudice to the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
4. At the end of a successful mediation the mediator will prepare a document that sets out the agreement reached which will be signed by them as their agreement.
5. If the complaint is not resolved by mediation, the complainant may:
 - a. Write to the ABSC President (or Secretary or the ABSC Council) to request that the reconsideration the complaint in accordance with **Step 3**; *or*
 - b. Approach an external agency such as an anti-discrimination commission.
6. Mediation will **not** be recommended if:
 - a. The respondent has a completely different version of the events and will not deviate from these;
 - b. The complainant or respondent are unwilling to attempt mediation;
 - c. Due to the nature of the complaint, the relationship between the complainant and the respondent(s) or any other relevant factors, the complaint is not suitable for mediation; or
 - d. The matter involves proven serious allegations, regardless of the wishes of the Complainant.

Attachment D3: INVESTIGATION PROCESS

If an investigation needs to be conducted to gather more information the following steps will be followed:

1. We will provide a written brief to the investigator clarifying terms of engagement and roles and responsibilities. The investigator will:
 - 1.1 Interview the complainant and record the interview in writing.
 - 1.2 Convey full details of the complaint to the respondent (s) so that they can respond.
 - 1.3 Interview the respondent to allow them to answer the complaint, and record the interview in writing.
 - 1.4 Obtain statements from witnesses and other relevant evidence to assist in a determination, if there is a dispute over the facts
 - 1.5 Make a finding as to whether the complaint is:
 - substantiated (there is sufficient evidence to support the complaint);
 - inconclusive (there is insufficient evidence either way);
 - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); and/or
 - mischievous, vexatious or knowingly untrue.
 - 1.6 Provide a report to the ABSC Disciplinary Committee, documenting the complaint, investigation process, evidence, finding and, if requested, recommendations.
2. We will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points that are substantiated, inconclusive, unsubstantiated and/or mischievous.
3. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person/adviser (e.g. ABSC President, Secretary or Executive Member).
4. The complainant and the respondent(s) may have the right to appeal against any decision based on the investigation. Information on our appeals process is in Attachment D5.

Attachment D4: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

An allegation of child abuse is a very serious matter and must be handled with a high degree of sensitivity. It is not the responsibility of anyone working in the Australian Billiards & Snooker Council in a paid or unpaid capacity to decide whether or not child abuse has taken place. However, there is a responsibility to act on any concerns by reporting these to the appropriate authorities. The following outlines the key steps to follow. More information can be obtained from State or Territory government agencies.

Step 1 – Initial Receipt of an Allegation

If a child or young person discloses an allegation involving harm or abuse to them or another child, then it is crucial that you:

- Stay calm;
- Listen, be supportive and do not dispute what the child says;
- Reassure the child that what has occurred is not the fault of the child;
- Be honest with the child and explain that other people may need to be told in order to stop what is happening;
- Ensure you are clear about what the child has said but do not elicit detailed information, ask leading questions or offer an opinion;
- Act promptly to accurately record the discussion in writing;
- Do not discuss the details with any person other than those detailed in these procedures; and
- Do not contact the alleged offender.

Step 2 – Report allegations

- Immediately report any allegation or disclosure of child abuse or situation involving a child at risk of harm, to the police and/or government child protection agency. You may need to report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the complaint should be reported (for example, the allegation may relate to poor/inappropriate practice).
- If the child's parent/s is suspected of committing the abuse, you should report the allegation to the relevant government agency.
- If the allegation involves anyone to whom our policy applies, then also report the allegation to the CEO of the Australian Billiards & Snooker Council so that they can manage the situation (e.g. contact the parents following advice from the authorities, deal with any media enquiries and manage steps 3 and 4).

Step 3 – Protect the child and manage the situation

- The ABSC President (or Secretary or designated Executive Member) will assess the risks and take interim action to ensure the child's/children's safety. Action the Australian Billiards & Snooker Council may implement includes redeployment of the alleged offender to a non-child related position, supervision of the alleged offender or removal/suspension from their duties until the allegations are finally determined.
- The ABSC President (or Secretary or designated Executive Member) will consider the kind of support that the child/ren and parents may need (e.g. counselling, help-lines, support groups).
- ABSC President (or Secretary or designated Executive Member) will address the support needs of the alleged offender.
- The ABSC President (or Secretary or designated Executive Member) will also put in place measures to protect the child and the person against whom the complaint is made from victimisation and gossip. If the person is stood down, it should be made clear to any persons aware of the incident that this does not mean the respondent is guilty and a proper investigation will be undertaken.

Step 4 – Internal action

- Where there is an allegation made against a person to whom this policy applies, there may be three types of investigations:
 - Criminal (conducted by police)

- Child protection (conducted by child protection authority)
 - Disciplinary or misconduct (conducted by Australian Billiards & Snooker Council)
- Irrespective of the findings of the child protection and/or police inquiries, the Australian Billiards & Snooker Council will assess the allegation to decide whether the person should be reinstated, banned, have their employment or position terminated or any other action.
- The decision-maker(s) will be the ABSC President of the Australian Billiards & Snooker Council and it will consider all the information, including the findings of the police, government agency and/or court, and determine a finding, recommend action and explain its rationale for the action. This may be a difficult decision particularly where there is insufficient evidence to uphold any action by the police.
- If disciplinary action is to be taken, the procedures outlined in Clause 9 of the policy will be followed.
- If disciplinary action is taken, the Australian Billiards & Snooker Council will advise and provide a report to the relevant government authority should this be required (e.g. the NSW Commission for Children and Young People requires notification of relevant employment proceedings).

Attachment D5: HEARINGS & APPEALS TRIBUNAL PROCEDURE

The following will be followed by hearings tribunals established by the Australian Billiards & Snooker Council to hear national member protection related complaints.

Preparation for Tribunal Hearing

2. The Tribunal members will be provided with a copy of all the relevant correspondence, reports or information received and sent by the ABSC Secretary, relating to the complaint/allegations.

6. The ABSC Secretary will notify the complainant in writing that a tribunal hearing will take place. The notice will outline:
 - That the person has a right to appear at the tribunal hearing to support their complaint;

11. If the Tribunal Chairperson considers that a valid reason for the non-attendance of the respondent(s) has been presented, or the Tribunal Chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal will be rescheduled to a later date.
12. The Tribunal Chairperson will inform the ABSC Secretary of the need to reschedule, and the ABSC Secretary will organise for the Tribunal to be reconvened.
13. The Tribunal Chairperson will read out the complaint, ask the respondent(s) if they understand the complaint and if they agree or disagree with the complaint.
14. If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal Panel when determining any disciplinary measures (penalty) as per the Constitution of the Australian Billiards & Snooker Council.
15. If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
- Reference may be made to brief notes.

19. Video evidence, if available, may be presented. The arrangements must be made entirely by the person/s wishing to offer this type of evidence.
20. If the Tribunal considers that at any time during the Tribunal Hearing that there is any unreasonable or intimidatory behaviour from anyone the Chairperson may stop further involvement of the person in the hearing.
21. After all of the evidence has been presented the Tribunal will make its decision in private. The Tribunal must decide whether the complaint has been substantiated on the balance of probabilities (i.e. more probable than not). As the seriousness of the allegation increases, so too must the level of satisfaction of the Tribunal that the complaint has been substantiated. The respondent will be given an opportunity to address the Tribunal on disciplinary measures which might be imposed. Disciplinary measures imposed must be reasonable in the circumstances.

22. All Tribunal decisions will be by majority vote.

 27. A person wanting to appeal in accordance with clause 25 must lodge a letter setting out the basis for their appeal with the ABSC Secretary within 7 days of the relevant decision.
 28. If the letter of appeal is not received by the ABSC Secretary within the time period the right of appeal lapses.
 29. The letter of appeal and copy of tribunal decision report will be forwarded to the ABSC Appeals Committee to review and decide whether there are sufficient grounds for the appeal to proceed. The ABSC Appeals Committee may invite any witnesses to the meeting it believes are required to make an informed decision.
 30. If the appellant has not shown sufficient grounds for appeal in accordance with clause 25, then the appeal will be rejected. The appellant will be notified with reasons.
